F O R E W O R D

NAFSCOB has been bringing out the publications of Basic Data on Performance of State Cooperative Banks (SCBs), District Central Cooperative Banks (DCCBs) and Primary Agricultural Credit Societies (PACS) on annual basis. In addition, our Federation also brings out annual publications on Review of Disbursement of Short Term Agricultural Loans for Rabi and Kharif Crops by SCBs and Directory of DCCBs in India. The present publication relates to the DCCBs in the country and is intended to serve as a hand book covering information on important areas of their performance during 2011-12. The data given in the publication are based on the information received directly from the DCCBs.

We are able to bring out the publication entirely due to the cooperation of DCCBs and SCBs for which we are very much thankful.

We appreciate the sincere efforts of Shri R. H. Singh, Assistant Director in the Federation in the compilation of the data. We are also able to incorporate the graphical presentation of performance of the DCCBs, entirely due to efforts of Shri Singh.

I am sure this publication would be very useful for the DCCBs, SCBs, National level Organisations dealing with Agriculture and Cooperative Rural Credit, Cooperative Researchers and other concerned with the cooperative credit movement in the country.
