FOREWORD

The specific objectives of National Federation of State Cooperative Banks (NAFSCOB) include conducting studies in agriculture & rural credit, review and publish important documents/monographs on various aspects pertaining to short term cooperative credit institutions and also disseminate the same. NAFSCOB has been making sincere efforts in this direction and published so far around 480 such documents on variety of issues. In addition to these publications, NAFSCOB on a regular basis has been bringing out annual publications of the Basic Data on Performance of State Cooperative Banks (StCBs), District Central Cooperative Banks (DCCBs) and Primary Agricultural Credit Societies (PACS) separately and a few analytical occasional papers on selected performance parameters. An attempt has also been made earlier to bring out fifteen publications on the data pertaining to PACS .

There is an increasing demand for a publication dealing with state wise performance parameters of PACS. Therefore, NAFSCOB attempted to bring out the current publication entitled “Performance of Primary Agricultural Credit Societies” by incorporating about 119 performance indicators - a detailed and improved version of earlier publications on PACS. We are able to bring out the current publication well on time entirely due to the cooperation of StCBs, DCCBs and also the Registrar of Cooperative Societies. We are very much thankful to them.

The Publications of Basic Data on StCBs, DCCBs and PACS have been finalized till 2011-2012, by using Visual Basic + Microsoft Access + Crystal Reports system for data input, Analysis and reporting, NAFSCOB migrated from this Software to a system with a hosted, scalable web based application. The present publication is the result of such a migration. M/S. Jocata Financial Advisory and Technology extended technical consultancy services to NAFSCOB for migrating from the previous software to the present software system.

Shri Manoj Kumar , Assistant Director under the direct guidance of Dr. J. S. Hanamashetti, Joint Director NAFSCOB, worked together to finalise this publication for the year 2024-25. We appreciate their sincere efforts.

We hope that the publication will be useful for further analysis and to work out development action plans. We do further hope that the StCBs/DCCBs will attempt to develop profiles of the PACS in respective states to help them to formulate concrete action plans to ensure their viability.
